

## Satguru is Great

Throughout all the lands  
There is only one who commands  
In the depths of the ocean  
There is one who keeps motion

He is limitless  
And formless  
No one can take Him down  
Or make Him drown

Where is this Almighty force  
What is this divine source  
The only one who can educate  
Is the satguru, who is great.

Peace, humanity, and unity  
We should bring into our community  
Let us bring love into our life  
And have no one left in strife

Please bless us all, O' Mighty Lord  
Your love is the only real reward  
May we live up to your expectation  
After all we are your creation
