

# Masks and Gloves Distribution (COVID-19)

## May 9th, 2020

With the kind grace of Satguru Mata Sudiksha ji Maharaj, NY-CT branch had the opportunity to add yet another event to the series of drives in response to COVID-19. On May 9th, 2020, volunteers of the NY-CT chapter once again gathered at the local Bhawan in the town of Westbury and held the free distribution of face masks and gloves drive.

Following the county issued social distancing rules, volunteers had organized a "Drive-Thru" service, wherein recipients were cordially guided to follow the signs and as approaching the booth, they were handed the pre-packed supply of face-masks and gloves through the window. This setup was highly appreciated and well received not only by the public, but the county security personnels too applauded the well thought out process. As always several saints behind the scene helped prepare for the event, from the ordering of the supplies, assembling, packaging,

printing labels to actual distribution. Once again a great crowd turned out to draw the maximum benefit from the drive and which is ultimately is to help keep community stay safe and healthy.

This time around, another facet was added to the event. Since the early days of the pandemic, the frontline aides have been dedicating their selfless service to mankind, and for their such altruistic deed, members of the NY-CT branch had been expressing their desire to honor and celebrate these real life heroes. With such sentiments in mind, volunteers of the local chapter extended a warm welcome to the Westbury firefighter's team along with Westbury Police Department's team as well as representative from Westbury's mayor's office.

This ensemble of delegation from the county of Westbury accentuated the height of the event. Plaque distribution was arranged to acknowledge the great service these local heroes have been dispensing around the clock.

Members of the NY-CT branch once again express a humble gratitude towards the source of all inspirations, Satguru Mata Sudiksha ji Maharaj, and pray that we may continue to serve fellow human beings.
