

Sant Nirankari Mission - Greater San Francisco, CA

Youth Camp - April 2023

With the divine blessings of Her Holiness Satguru Mata Sudiksha Ji Maharaj, Sant Nirankari Mission, San Francisco, California, USA branch organized a Youth Camp on April 8th, 2023. More than fifty young saints of the mission, with ages ranging from four to twenty-five, attended the full day camp held at the Sant Nirankari Spiritual Center, Tracy. The focus of the youth camp

was for both physical and spiritual growth of all the young saints and to get the youth ready for the upcoming NYS.

On the morning of the camp, the day started with a welcome session for all the young saints and spectators, where the schedule for the whole day's event was briefed. Shortly after, all of the kids gathered outside to learn the basics of basketball, followed up with other sports such as

an Easter egg hunt event and tug-of-war for all age groups. As Satguru Baba Hardev Singh Ji Maharaj always taught everyone the importance of physical fitness, it was an attempt to pass that same message amongst these young saints through these various activities.

Following up with a lunch break, the second half of the day was focused on spiritual aspects. A 25-minute-long interactive powerpoint presentation was displayed for the youth which focused on the theme of spirituality and its role and importance in the life of today's youth. Afterwards, a

30-minute documentary was played which was based on the mission's six elements.

A quiz competition was arranged for kids younger than 10 years old in the sewadal room, where they were asked questions related to the history and the famous slogans of the mission. At the same time, kids older than the age of 10 gathered in the main hall for a quiz session that was based on the NYS theme of six elements and mission's history and famous quotes. All the kids demonstrated their knowledge and understanding of the mission with great enthusiasm. As an acknowledgement of their involvement, a certificate of participation was awarded to each and

every participant. To conclude this beautiful event, Rev. Dr. Rai Ji blessed all of the members of the youth camp with his motivational and inspiring speech.

We thank Satguru Mata Sudiksha Ji Maharaj and the all-mighty Nirankar for blessing us with such a wonderful opportunity.
