On behalf of the Worcester County Food Bank, I sincerely thank you and everyone that participated in your Food Drive last month. Many of our neighbors, including increasing numbers of working families, must choose between paying for housing, utilities, or medicine and putting food on the table. For the families and individuals we serve, these difficult choices are made easier by wonderful donors like you. Your Food Drive donations help us provide food to local pantries and other programs that are working to fill this gap.

We acknowledge receipt of the following items for the period: 03/01/17 to 04/03/17
