FOR LIFE TO TOUCH HEIGHTS LINK GOD-KNOWLEDGE WITH EVERY ACTION

- SATGURU MATA SUDIKSHA JI

Navi Mumbai, January 26, 2019: Link God-knowledge with every action. This will take your life to greater heights. It's like a bird that needs two wings to soar high in the sky. God-knowledge brings human values like compassion, humility, broad vision and the spirit of sacrifice which illuminate life and make it an example for others to follow. One realizes that God dwells in every human being in the form of soul. He, therefore, gets rid of all kinds of discrimination and loves and respects all.

This was observed here last evening by Satguru Mata Sudiksha Ji Maharaj, Head of the Sant Nirankari Mission, while blessing devotees at the end of the open session of the first day of the 52nd Annual Nirankari Sant Samagam of Maharashtra. The 3-day event is being attended by hundreds of thousands of the Mission's followers who have come from all over the State and several other parts of the country. A large number of delegates are from overseas.

Satguru Mata Ji stated that when God-knowledge and actions go together, a devotee feels grateful to God for whatever he receives. He remains thankful to the Almighty even when circumstances are not in favour since it's God who gives the ability and strength to face it. Moreover, he is convinced that since God is perfect everything destined by Him is perfect too.

Her Holiness said that the Sant Nirankari Mission preaches the Truth, peace, love, humility and brotherhood. Others will be more convinced if they find our words reflected by actions. Our words will fail to have any effect if our actions are adverse to what we preach, she said. Positive message will have no value if our actions are negative.

Satguru Mata Ji, therefore, exhorted every devotee to lead life embellished by spiritual awakening and do Sewa, Sumiran and Satsang while leading a normal material life. Her Holiness appreciated the enthusiasm being shown by youth and said they are following the teachings of the Mission not only themselves but spreading the same further.

Sewadal Rally

The second day of the Samagam today began with a colourful Sewadal Rally. Thousands of volunteers in uniform who look after the arrangements during every Satsang Programme or Samagam and participate in a big way in the Mission's social welfare activities in India and abroad, assembled to rededicate themselves to the selfless service of humanity and seek blessings from Satguru Mata Ji for the same. They displayed some PT exercises to show the importance they give to their physical fitness. Games, leziun, mallkhamba (pole exercise) and various physical formations sought to highlight the need of discipline, dedication and coordination. The Rally also presented some cultural items linking the same with Sewa as an important means to express devotion. They also impressed upon every Sewadal member to obey what their seniors in general and Satguru in particular command.

Blessing the Rally, Her Holiness said that Sewadal volunteers, with their discipline, dedication and alertness, render various services not only at the Samagam but at other places wherever they are asked to do so. Her Holiness said that today she was reminded of her own days in Sewadal. She said that the Sewadal volunteers always keep themselves ready to serve not only the Mission and the community but the entire mankind. Satguru Mata Ji said that while the country is celebrating its Republic Day today, Sewadal has also pledged that if time demands, they are ready to make any sacrifice for the country.

Earlier speaking on the occasion, Shri V.D.Nagal Ji, Member Incharge Sewadal, Sant Nirankari Mandal, said that even though Sewadal volunteers are always prepared to do any Sewa they are called upon, but still there may be several shortcomings. He, therefore, prayed to Her Holiness to bless them all so that they can perform their duties with complete spirit of discipline, devotion, dedication and coordination and earn the blessings of Satguru as well as Sadh Sangat.
