**- Satguru Mata Sudiksha Ji**

**Navi Mumbai, January 28, 2019:** “When God dwells within, our mind becomes stable, whatever be the circumstances, we remain undisturbed. This also removes all our doubts and make us walk on the path of truth, steadily.”

This was observed here by Nirankari Satguru Mata Sudiksha Ji Maharaj while addressing the concluding session of the 3-day 52<sup>nd</sup> Annual Nirankari Sant Samagam of Maharashtra on 27<sup>th</sup> January 2019. The Samagam was organized on the vast CIDCO Grounds in Kharghar, Navi Mumbai. Her Holiness said that the Samagam including the multi -lingual symposium was dedicated to the previous Head of the Sant Nirankari Mission, Satguru Mata Savinder Hardev Ji Maharaj.

Her Holiness said that we saw a documentary on her life and teachings which was titled “Maa Savinder Ek Roshan Safar”. Even though, she had her family responsibilities, she always gave preference to the service of the Mission. Instead of her spouse, she always saw Baba Ji as Satguru and remained spiritually aligned with him. She taught us also to consider Baba Ji as Satguru first and father later on.”

Satguru Mata Ji exhorted the devotees that we should make God a part of every action. While having the God-knowledge and making Him a witness to our actions, reduces the scope of committing mistakes.

She further, showing us the path of virtuous living she explained us to give us our best of behavior in front of the Satguru so that it becomes our nature.

She appealed to all those who are bereft of God-knowledge to get blessed with one during then Samagam and reap the benefits thereof.

She thanked the team of Chiropractic doctors, who flew down from different countries across the Globe to provide care and love to those in need and, to feel the Spiritual Bliss.

Earlier, during the Sastang, Holy Sister Mohini Ahuja Ji, Member Incharge, Branches (Maharashtra & Southern States) thanked Satguru Mata Ji for making the Samagam a success. She also thanked the devotees for the enthusiasm as also their co-operation at every step and the entire gamut of Local authorities, State level authorities, Civic authorities for without their sanctions and co-operation it could not have seen the light of the day.
