Dear Ms. Nayak:

On behalf of the patients and hospitals served by New York Blood Center, thank you for hosting your blood drive at Sant Nirankari Mission on Sunday, April 20, 2014. At your blood drive, 63 donors attempted to donate, resulting in 50 lifesaving blood donations. Organizing a blood drive takes tremendous creativity and dedication and we thank you for your support to our mission.

In order to match your efforts and support to our community, we endeavor to provide you and your donors with outstanding service from the early selection of your blood drive date and hours, recruitment expertise through the planning process and finally, efficient and friendly processing of your blood donors. Your feedback is extremely important to us. If the Person-In-Charge at your blood drive did not give you a survey form, we have enclosed one for your convenience along with a postage paid envelope.

Thank you again for hosting your blood drive on April 20, 2014. We hope that you have your next blood drive already scheduled or if we can help secure your preferred date, please let us know. We only meet our mission thanks to thousands of dedicated blood drive sponsors and your loyal blood donors.

Sincerely,

Michele McCaffrey
