

Sant Nirankari Mission, New Jersey Branch

Report – June 2019

With the grace of Satguru Mata Sudiksha Ji Maharaj, the New Jersey Branch observed the June 30th, 2019 Satsang in the presence of Respected Dr Vijay Kumar Ji, Gyan Pracharak and Sanyojak of Lajpat Nagar, Delhi. Rev. Dr Vijay Kumar Ji was on *prachar* visit of the New Jersey Branch from Friday, June 28th to Sunday, June 30th. He attended and delivered Satguru's blessing from the stage in congregations on those days.

During the two-hour congregation, devotees praised the Almighty Nirankar and expressed their thoughts in the form of hymns, poems and personal anecdotes related to the teachings of the Mission.

Addressing the congregation, Rev. Dr Vijay Kumar Ji referenced a verse from the Sampuran Avtar Bani which explains that only with God's will can anything happen.

He recalled an incident that took place a long time ago with Satguru Baba Gurubachan Singh Ji Maharaj. Through this example, he explained that whatever status each of us enjoys today is simply because of this Almighty God's blessings. It was His grace that brought us to Satguru's holy feet and made us whole. By giving us this Gyan, we have been connected to this Sadh Sangat.

Rev Arun Ji, General Secretary SNM welcoming Dr Vijay Ji

When a child is born, he or she is compared to a beautiful flower. When someone passes away, we go and buy flowers for their funeral. What happens in between these two points in a person's life – why are they not considered to maintain that same beauty? Reflecting on the saying "God made man in His own image", are we living up to the divine qualities we have been given?

In the cycle of life and death, those who perform the right deeds are given the chance to be born in the human form. And if this human being meets the True Master in his lifetime, then this True Master will give him salvation. This can only happen in one place – the Sadh Sangat. Our Satguru has given us this Sadh Sangat as a means to take us on this journey from Man to God. Growing up, we believed that we were human beings on a spiritual journey; however, after receiving this Divine Knowledge, we understand that we are actually spiritual beings on a human journey.

We are each a part of this Nirankar and once we recognize that, we need to ensure that we make Nirankar a part of every aspect of life. Those who lean on God for support never experience any scarcity. We have

seen countless miracles in our lives, where seemingly impossible situations are made possible because of Nirankar's grace and our faith.

Everything that happens in our lives is in His hands. Our job is to keep the Gyan at the forefront of our minds and live the teachings of the Mission. When we link our existence to this material world, we experience volatility and variability. However, when we stay centered on this Nirankar, we experience stability. We have to make the choice for ourselves – do we want to focus on the ups and downs of society, or on the steadiness of Nirankar?

He shared these simple equations:
God + Ego = Man; Man – Ego = God. When Man removes Ego, he becomes God.

Rev Deep Ji welcoming Kalpana Ji, wife of Dr Vijay Ji during their prachar visit

We attend the Sadh Sangat to learn how to get rid of our egos. Any transformation that happens in our lives happens only by being connected to this Sadh Sangat.

Concluding the thoughts, Rev. Dr. Vijay Kumar Ji humbly prayed for Nirankar to bless all the Saints, wherever they may be, to always stay connected to the Sadh Sangat.

The New Jersey and Pennsylvania Saints humbly pray to Satguru that we may continue to be the recipients of such opportunities, and that we not just listen to these pearls of wisdom but also incorporate them in our lives.
