

Rev. Dr. Iqbaljit Rai Ji Visit New York Branch (December 11th, 2016)

With the benign grace of Satguru Mata Savinder Hardev ji Maharaj, New York Branch had the immense pleasure to host Sunday, December 11th.2016 satsang in the presence of **Rev. Dr.Iqbaljit Rai ji (President Sant Nirankari Mission USA)**. Rev. Dr.Rai ji has been imparting selfless service to the Mission for over several decades and has been the recipient of divine accolades from time to time.

During the congregation, devotees expressed their sentiments in the form of spiritual hymns, personal anecdotes, poems and speeches. Representing the Bal Sangat, Rev. Sadhika ji expressed the tremendous joy she experienced firsthand at the 69th.annual sant samagam. She shared that the team of chiropractors at the samagam was so moved

by the message and life of Satguru Baba Hardev Singh ji Maharaj, that about 10-12 of the practitioners humbly pleaded for God knowledge benevolence. She further added that the 69th. Samagam had Bal Exhibition that portrayed the theme of leading a blissful life by eradicating subhuman vices as jealousy, hatred, partiality and replacing them with higher human values as love, compassion, tolerance, humility and such.

She added that the message of the Mission is not limited to one group, rather it is a universal message and applicable and benefitting every human.

Concluding the final discourses, Rev. Dr. Rai ji blessed that it is the prime aim of every devotee of the Mission to continue to crusade for Humanness. In order to bring about the Humanitarian revolution, we all have to embark upon an internal journey of beautifying our inner self.

When the self is awakened, and strengthened with positivity, the outer world will automatically become professed with divine radiance.

New York Branch in utter humility expresses joy beyond words to Satguru Mata ji for such opportunities and prays to continue to become recipient of such grace and become an instrument in the fulfillment of the divine will.
