

With the grace of Satguru Baba Hardev Singh ji Maharaj, New York Branch had the blessed opportunity to host the divine Prachar visit of Rev. sister Preet Sahi ji. The Prachar tour was three day long and it commenced on the 29th. of January with an English Medium congregation.

During the EMS final discourse, rev. Preet Sahi ji blessed that if man could come to realize that all his material, mental & physical assets are the belongings of the higher authority, then he shall lead a peaceful life. It is however the most sad business, that man not only fails to acknowledge this truth, making matter worse, he begins to associate himself with the physical frame.

Following the discourse, key event of the evening, the "Youth Forum" was initiated. During which young devotees of the New York Branch expressed the significance of the 1st. Principle of the Mission through the medium of a skit employing humor. Then onwards a series of question and answer session took off. It indeed gained quite the momentum as young devotees presented various thoughts and queries.

Addressing the congregation rev. Preet Sahi ji blessed that Nirankari Mission is promoting **the message of "World Without Walls."**

As followers of the Mission we all bear the responsibility of tearing down all such long erecting walls that draw us apart. These walls can be comprised of financial, intellectual, physical or political status, but a wall is a wall and by definition the nature of a wall is to create separation and division. These walls can be transformed into bridges when we identify our true origin. That we are not physical beings and at the end of the day no physical assets count, we by origin and thus by nature are spiritual beings. The sooner we learn and adapt this truth, the sooner we can help create a world without walls.

From young devotees of the New York Bal Sangat to veteran devotees of the New York Branch expressed great enthusiasm in drawing the maximum benefit from the prachar trip. Rev. Preet Sahi ji encouraging the young devotees blessed that we must acknowledge that congregation is priceless. We all owe it to ourselves to regularly attend congregation. Coming to congregation is to honor our one on one appointment with Satguru Himself. We must not lose such privilege., rather draw the maximum and strengthen our spiritual aspect.

New York Branch humbly expresses immense gratitude towards His Holiness Satguru Baba Hardev Singh ji Maharaj for gracing with such prachar visit opportunity and humbly looks forward to continue to be recipient of such occasions and opportunities.
