

Bal Sangat Kids Visit Seniors Center Westbury NY (Dec 2019)

With the grace of Satguru Mata Sudikshaji Maharaj the kids and youth of New York got an opportunity to sing for seniors at an assisted living facility in Westbury on December 15th. It was a group of 50-60 seniors. Kids and youth from SNM greeted each senior by shaking their hand and wishing them Happy Holidays. The engagement of these young volunteers with the elderly people through small conversations brought them immense joy. Tears of joy were rolling down their faces as these were the people whose families rarely visited them. Age just seemed to be a number and no physical limitation could stop the elderly from joining the celebration.

The youth sang Christmas Carols, Hannukah songs and holiday songs, but the song they all loved the most was our Nirankari Humanness song. **The biggest compliment that came was that please don't wait till next year to come back.** We express our gratitude to Satguru Mataji for blessing us with this opportunity to bring smiles on the faces of our senior citizens .
