Dear Friends:

Thank you for your generous donation of assorted food goods, snacks and juices. We greatly appreciate your generosity, as donations like yours help us serve the needs of our families throughout the year.

Our House was built on the simple idea that nothing else should matter when a family is focused on the health of their child--not where they can afford to stay, where they will get their next meal, or where they will lay their head at night to rest. We believe that when a child is hospitalized, the love and support of family is as powerful as the strongest medicine prescribed. With this thoughtful gift, you are our partner in this effort to provide for the children and families who rely on The House That Love Built every single day of the year.

Thank you for being among the kind friends who help to turn our House into a Home each day. On behalf of our residents and their children, who benefit most from your support, please accept our heartfelt appreciation.

Warmest regards,

Matthew Campo  
Executive Director
