**UK National Sewadal Team (Rev Balbir Raisinghani Ji, Rev. Sanjay Arora Ji, Rev. Harvey Bains Ji, Rev. Sumit Batra Ji, Rev. Vishavpreet Ji) – July 8–10, 2025**

With the divine blessings of Satguru Mata Sudhiksha Ji Maharaj, the UK National Sewadal Team visited the Greater San Francisco area, including Tracy, California, from July 8 to July 10, 2025, as part of their U.S. tour during the National Sewadal Camps. This visit fostered spiritual connection, collaboration, and renewed dedication among Sewadal members across regions.

### **Tuesday, July 8, 2025 – San Francisco Day**

The UK team members were warmly received at the airport by the local West Coast Sewadal team, who greeted them with heartfelt hospitality and reverence. After a brief orientation and fellowship, the team explored select scenic and cultural locations in San Francisco.

Later that day, upon arriving at Tracy Sant Nirankari Bhawan, the UK team was welcomed with deep love and respect by Rev. Dr. Rai Ji, Rev. Atul Ji, and Sewadal who led a gracious walk welcome as the team entered the Bhawan premises. This symbolic gesture of humility and unity deeply touched all in attendance.

The evening concluded with informal reflections and bonding at Tracy Bhawan, setting the spiritual tone for the days to follow.

### Wednesday, July 9, 2025 – Tracy Bhawan Day

The UK team began their day at Tracy Bhawan and later traveled to Sacramento to attend the funeral service of Varmeet Kaur Ji. That evening, a Satsang program was held at Tracy Bhawan, attended by local families and Sewadal members. The program was humbly presided over by Rev. Sanjay Ji, whose guidance and presence inspired the congregation. It was followed by Sangat interactions and a focused Sewadal gathering that emphasized humility, intergenerational mentorship, and unity in sewa.

Following the formal program, local youth members joined the UK team for a short outing over coffee and milkshakes, where they engaged in Guru Charcha—a spiritually uplifting dialogue centered on Satguru's teachings. This informal yet meaningful time helped nurture relationships, encouraged reflection, and deepened the spirit of oneness, understanding, and mutual inspiration among sewadars from different regions.
