The Lighthouse

The Lighthouse I know, turned into a star
The message he spread, still playing on my life guitar

It may be hard to see the light (love – world is full of hatred)
But it is not impossible to be the light
The more I try to learn it
The easy it seems to earn it

But the effort is, where is lack
Bless me so I don't slack

No matter what I become in my life
Still learn to be your saint in my profile

I ask for lot and you never denied
Now let me shine in your light

The Lighthouse I know, turned into a star
The message he spread, still playing on my life guitar
