My Guru My Lighthouse

Dear Saints, I would like to tell you about my Satguru, who I see as my lighthouse. Mata Savinder Hardev Ji Maharaj is the Guiding light. I would like to tell you why I feel my guru is my lighthouse.

A lighthouse is a tall circular structure which stands at the highest point near the sea. Any tall building can't stand at the sea because of the hard-blowing wind and the salty water. But a lighthouse is a tall structure which can

When Sailors are on ships are about to reach land, the big ships can collide with rocks. Lighthouse warns the sailors that rocks are near. And it also tells them that danger of stormy waters is over, safe and stable land is here. Sometimes small boats sail far, and night falls. Lighthouses then shine their light and guide the sailors to a safe harbor.

Just like that, pooja Mata ji is my lighthouse. She promises a safe and stable harbor and helps us to stay on the right path. She is teaching us to be a good person.

When we fight with our friends and get really mad we feel that they should be punished. But sometimes we act bad and we are mad at ourselves. But then we remember the teaching from Sangat, 'the good you do comes back to you, the bad you do comes back to you'. It helps us forgive our friends and forgive ourselves.

Now we are ready to make new friends and maybe still start new fights 😊.
