The Lighthouse

A lighthouse is guides ships when it is dark. It shines to make it bright so that the ships can see in the dark. Mata Ji also guides us about God, loving everyone, to be a good human being. Lighthouse and Mata Ji don't like darkness i.e., negativity. They both try to make lightness i.e., positivity. Mata Ji wants everyone to be like a lighthouse. I will try to shine like a lighthouse to make the world a better place to live by loving and being friends with everyone, compassionate, respectful, helpful, caring etc.

The Lighthouse

A lighthouse is a big and strong building with bright beam of light that guides the ship. Its purpose is to shine brightly so ships can confidently follow it in the light, in dark and even in the storms.

Satguru Mataji is my lighthouse that is constantly sharpening my focus towards Nirankar.

May I simply follow the teachings of my Satguru without any doubt, without which I would be a lost ship.
