The Lighthouse

When the world is dark and all seems lost,
When it feels hopeless, as if nothing can go right again
When you have lost your way and need help finding it
You have one thing – hope

Hope that a savior will come
Will rescue you from this dark place
And then you see it – light !

A single beam of light, shining in the darkness
You follow it and it leads you home
Be that light for others
Guide them back home
Back to good, back to light

Be a lighthouse
