Toy Drive Event - 2019

On 23rd December 2019, Sant Nirankari Mission Seattle's Balsangat gathered and donated toys to an organization called Treehouse. Treehouse is a non profit organization that helps kids in foster care to have access to opportunities and the support they need to pursue their dreams and launch successfully into adulthood. Treehouse's Holiday Magic program helps to make the holidays brighter for children and youth in foster care by raising resources from the community to provide a holiday gift to eligible youth across Washington state.

With the grace of HH Satguru Mata Sudiksha Ji, the Seattle Balsangat was able to participate in this toy drive by collecting and donating toys for the foster kids at the organization. In this process, the young saints learned that the true meaning of the holiday season is in giving gifts and not receiving them. In addition, the kids learned about the impact that selfless service has not only in the lives of others but also their own lives.
