Blood Drive 2021

On the occasion of Manav Ekta Diwas, Sant Nirankari Mission Seattle branch was able to conduct a blood drive with Bloodworks Northwest, a blood bank and medical research institute in Seattle, Washington. They are a non-profit organization that provides blood supply to a majority of the hospitals in the pacific northwest region. The Sant Nirankari Mission Seattle branch got the opportunity to conduct this blood donation drive on 24th April 2021. With the grace of Her Holiness, Satguru Mata Sudiksha Ji, 13 saints from the SNM Seattle branch were able to donate blood. The rest of the saints expressed their full support towards the cause.

May Satguru Mata Ji bless us all with many more selfless service opportunities to serve the community in the future.
