

SNM SEATTLE Themed Food Drive

On the occasion of Thanksgiving, Sant Nirankari Mission's Seattle branch hosted a Themed Food Drive with Northwest Harvest. Northwest Harvest is a non-profit organization that provides food for individuals and families struggling with hunger. It is one of the largest hunger-relief agencies in Washington State. The organization requested that the food drive have a set theme because when uniform products are donated, it results in efficient distribution of the donated items. The Seattle branch chose the canned/boxed meals theme for the food drive.

With the grace of Her Holiness Satguru Mata Sudiksha Ji, the Seattle branch was able to donate about 2 pallets of canned/boxed meals to Northwest Harvest on 23rd November 2021. These donations included instant noodle packets, canned beans, canned meat, and canned fish. All the families dropped off the food items at the designated location in their area (local saint's residence) over a three-week period. Later, Rev. Aarti Bajaj Ji and Rev. Kamal Kurswani Ji and SNM SW Coordinator Res. Khushal Ji, donated all the food items to the Northwest Harvest at their collection location.

May Satguru Mata Ji bless us all with many more selfless service opportunities to serve the community in the future.

Regards,
SNM Seattle
