

**SNM SEATTLE**  
**Winter Holidays Gift Drive**

On the occasion of Christmas, Sant Nirankari Mission's Seattle branch participated in a Winter Holidays Gift Drive with St. Joseph Medical Center, a hospital in Tacoma, Washington. It is part of Virginia Mason Franciscan Health which is a non-profit organization focused on providing the best possible health care for people in the community. The gift drive was set up to provide holiday gifts to underprivileged children so that they can enjoy the holiday season. The organization requested that donated items should be new and suitable for ages 1month to 18 years.

With the grace of Her Holiness Satguru Mata Sudiksha Ji, the Seattle branch was able to donate 10 to 15 gifts to the St. Joseph Medical Center for underprivileged children. The donated gifts included socks, clothes, building blocks, soft toys, writing tablets, books, and other miscellaneous items. Some of the saints bought their gifts online and had them delivered to St. Joseph Medical Center. Other saints dropped off the gift items at the designated location in their area (local saint's residence). An effort was made to donate all the gifts by December 19<sup>th</sup> so that they could be distributed before Christmas and other winter holidays.

May Satguru Mata Ji bless us all with many more selfless service opportunities to spread the holiday spirit and to continue serving the community in the future.

Regards

SNM Seattle
