

**SNM Seattle**  
**Winter Wear Drive – December 2024**

In the spirit of the holiday season, the Seattle branch of Sant Nirankari Mission organized a Winter Wear Drive in December 2024 to help families and individuals in need stay warm and cared for during the harsh winter months. With the blessings of Her Holiness Satguru Mata Sudiksha Ji Maharaj, the sangat came together to contribute a wide range of essential items.

The drive focused on new high-need items, including toys, stuffed animals, games, comforters, sneakers and boots for all ages, warm socks, gloves, sleeping bags, and hand warmers. In addition, gently used but “like-new” items such as coats, jackets, blankets, bedding, and children’s clothing were also collected. Saints ensured that any donated clothing was washed, folded, and free of stains or tears, maintaining dignity and respect for the recipients.

Donations were collected at sangat, after which all contributions were packed and delivered on December 18, just in time for the holidays. The effort reflected the Mission’s values of Oneness, care, and compassion, ensuring that those facing hardships in the winter season felt supported and remembered.

This initiative not only addressed immediate material needs but also strengthened the sense of community and collective seva, reminding everyone that small acts of kindness can bring warmth and hope to many lives.
