

# MANAV EKTA DIWAS 2025

## Sant Nirankari Mission Seattle

### Blood Donation Drive | April 19, 2025

On April 19, 2025, the Seattle branch of Sant Nirankari Mission (SNM) came together for its annual blood donation drive, once again partnering with Bloodworks Northwest in this life-saving initiative. The event was a heartfelt expression of SNM's guiding message: "Blood should flow in veins, not in drains."

With seva (selfless service) at the core, SNM Seattle members participated as both donors and volunteers, offering their time, energy, and compassion. The turnout reflected the true spirit of sangat and unity—from first-time donors who overcame hesitation to long-time donors who returned with renewed purpose, all joined with the common goal of saving lives.

Sewadal volunteers played a vital role in ensuring the event ran smoothly. They managed registration, extended warm hospitality, and engaged in outreach, creating a welcoming environment for all. Meanwhile, the skilled medical staff from Bloodworks Northwest ensured that each donation was handled with the utmost safety and care, giving participants confidence and comfort throughout the process.

**This year also marked a special milestone:** since beginning our association with Bloodworks Northwest, several Seattle saints who donate regularly have now achieved a

total of one gallon of blood donated each. This reflects not only dedication to seva but also a long-term commitment to saving lives.

Each unit of blood donated carries the potential to save up to three lives, creating an impact that extends far beyond our immediate community. Through this collective effort, SNM Seattle not only supported critical local healthcare needs but also lived out the Mission's values of Oneness, compassion, and service to humanity.

We are deeply grateful to Bloodworks Northwest for their continued partnership and professionalism, and to every saint and community member who contributed to the success of this drive. With the blessings of Her Holiness Satguru Mata Sudiksha Ji Maharaj, we look forward to many more opportunities to serve humanity through such noble initiatives.
