Dear Universal Brotherhood,

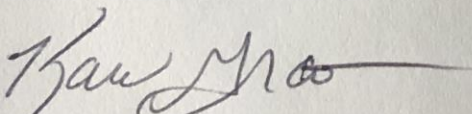

Thank you for conducting a food drive in support of the Dulles South Food Pantry, Inc. (DSFP). Your drive brought in 373 pounds and has already been stocked and is being distributed to guests. We are solely funded by churches, community organizations, local businesses and caring individuals, so your contribution is very much appreciated.

In 2019 the Dulles South Food Pantry was blessed to serve a collective 16,073 guests and distribute over 284,000 pounds of food. This included 6,536 Backpack Buddies Bags that were delivered to students at 18 area public schools.

It is thanks to the support of donors such as yourself that we are able to provide to the growing need in our community.

Thank you for being a part of our mission of "Neighbors Feeding Neighbors".

With warm regards,

Karen Grant
