

Dear Sant Nirankari Mission,

Happy New Year! The Dulles South Food Pantry would like to thank you for the 475 lbs you donated on 1/4/23.

As the number of guests we serve continues to grow, we are grateful for the generosity of our donors who support our mission of Neighbors Feeding Neighbors. During a time when many are struggling to put food on their tables, please know what a difference you've made!

Please see our latest newsletter at dsfp.org to learn more about the latest news at the Pantry.

Warmly,
Andi Huppert
