Dear Friends at Universal Brotherhood,

I wish to extend a very special thank you for your donations of a computer, food, and toiletries to the Embry Rucker Community Shelter in March.

The gift of a computer, which many of us consider an essential tool for work and personal use, is an extravagance that few of our clients could otherwise afford. The food and toiletries you gave will help us to provide our clients with nutritious meals and basic needs that many people take for granted. With assistance from Universal Brotherhood and other groups and individuals, Reston Interfaith helps our neighbors in need as they work to return to self-sufficiency.

It is wonderful that your contributions will enable us to help so many of our clients this spring, but we also would like to remind you that their needs continue throughout the year. We hope that you will continue to support us as the weather becomes warmer, when donations are most greatly needed.

Your generosity is truly heartwarming and amazing.

Thank you again for your support!

With gratitude,
