Dear Mr. Malik:

This letter is to thank your organization for its generous donation of 50 bags of clothing on January 2, 2016. We very much appreciate your contribution to The Closet and your support of our mission of service to the community. Without the clothing donations such as yours, we would not be able to provide high quality clothing and household goods at affordable prices. In 2015, our voucher program provided more than \$68,000 in free clothing and shoes to social service referrals. Working and volunteering at The Closet is a blessing because of generous supporters like you.

The next time your organization brings a donation to The Closet, please ask to speak to our manager, Aaron Sawyer, or our President, Laura Greenspan. We like to meet and thank our supporters in person, especially when they are so generous and supportive over time. We'd also like to discuss other ways in which we could collaborate.

Again, thank you for your support.

Sincerely,

A handwritten signature in cursive script that reads 'Roberta Pense'.

Roberta Pense,  
Secretary, The Closet Board of Directors
