4501 Pleasant Valley Road, Chantilly Virginia 20151

### Adopt A Highway Program April 2018

About 3 years ago members of the community service department of Sant Nirankari Mission Washington DC branch started planning to participate in the Adopt-a- Highway Program sponsored by Virginia Department of Transportation (VDOT). The Washington DC branch has adopted the portion of Pleasant Valley Road on which the Mission's building is located, extending from Lee Jackson Memorial Highway (Rt. 50) in the north, to Herndon Avenue in the south, which is about 1.3 miles long.

In this Program, the regional roadsides are cleaned and cleared of garbage, thereby contributing to a clean and healthy community. Adopt-a- Highway is a way for environmentally conscious citizens to make a personal contribution to a cleaner environment. Under the Program, groups or individuals agree to adopt a section of the road and maintain its cleanliness.

The Virginia Department of Transportation has recognized the Sant Nirankari Mission's participation by erecting large road signs at either ends of the designated roadway acknowledging the Mission's efforts. Dedicated members of Sant Nirankari Mission regularly participate multiple times every year in this clean-up initiative.
