New Year's Eve 2019 Congregation December 31st 2018

In keeping with tradition in the Washington DC center of the Sant Nirankari Mission, a Spiritual Congregation was held on 31st December 2018, starting on the New Year's Eve and concluding with ringing in the New Year with Satguru Mata Ji's New Year's message. The Congregation was held at Res. Sudesh Matneja Ji's home, who has recently moved to Washington DC from New York.

As always, many of Washington DC saints and few saints from New York enthusiastically participated in the Spiritual Congregation. This way the saints bode farewell to 2018 and welcomed 2019 while continuing Sewa, Simran and Satsang.

The program started around 8:00 PM with snacks and the community meal (Langar) for all. The congregation commenced with the verses from Holy Avatar Bani. It was followed by melodious devotional hymns and thought-provoking speeches by the saints, especially when young saints shared their New Year resolutions.

Rev. Prem (Kamal) Dadlani Ji blessed the congregation in the form of a final discourse. He emphasized the need to let go of our "Bad Debt" and welcome the new year with a clean slate while still being connected to Nirankar. Also he encouraged all saints to follow Satguru's teachings to make life happy, stay connected with Nirankar, and not to look at anyone's short comings.

The congregation was concluded with a New Year message from Her Holiness Mata Sudiksha Ji Maharaj.

May Nirankar bless us all with worldly achievements and strengthen our spiritual aspect. It was a wonderful start to a new year where every saint felt truly blessed and rejoiced in the congregation.

Happy New Year 2019!
