Washington DC Metropolitan Area Spiritual Center

4501 Pleasant Valley Road, Chantilly Virginia 20151

Mukti Parv Samagam Sunday August 13th, 2023

With the blessings of Her Holiness Satguru Mata Sudiksha Ji Maharaj, the Washington DC Branch observed Mukti Parv Diwas on August 13, 2023, as a homage to the life and teachings of Shahenshah Baba Avtar Singh Ji, Jagat Mata Budhwanti Ji, Pradhan Labh Singh Ji (the first President of the Mission) and many more saints who lived and dedicated their lives to spread the teachings of the mission.

The congregation gathered to remember the dedication and selfless service of countless Saints who helped develop the foundation of the Nirankari Mission, and who worked tirelessly to spread the teachings of the Nirankari Mission far and near to share the message of love and peace.

Respected Santosh Nijhawan Ji shared how Baba Hardev Singh Ji led the congregation with an attitude of forgiveness and love even in a time of darkness when others wanted to seek revenge. She shared that the True Knowledge allows us to be able to put aside our own desires and live our lives according to the teachings of Satguru.

Respected Neha Ji shared in her hymn that we begin living a life of bliss and detachment when we receive the blessing of the True Master. This detachment helps us attain salvation while we are still alive, so we are rid of the cycle of birth and death.

Saints echoed each other as they shared that following the path of the True Master and using this God knowledge would help us achieve Salvation in our present life (Mukti, or Moksha, or freedom from bondage). We have seen examples of countless saints who have let go of their own desires and emotions to remain stable just as the True Master has taught us to do. Ridding ourselves of this attachment allows to walk the narrow path of Salvation.

Bal Sangat Saint Res. Preet Ji gave an example in which he shared that just as our physical body needs to stretch after being in the same position after a long time, our soul also needs to be freed from the cycle of moving from one body to another. Attaining Salvation allows the soul to merge with the Super Soul and become free.

In the documentary that was shared during the Satsang, we heard the words of Baba Hardev Singh Ji, Mata Savinder Hardev Ji and Nirankari Raj Mata Ji. They shared how the saints of the Nirankari Mission must use this love for others to spread the mission through their actions.

Rev Prem (Kamal) Dadlani Ji, Coordinator In-Charge SNM Washington DC Center, highlighted the sacrifices made by many of our saints for spreading the teachings of the Mission and the message of love and peace for the betterment of the humanity. He also emphasized the importance and impact of every single member of the Nirankari Mission and their ability to spread the word of the True Master through their actions so that others too can achieve Salvation in this lifetime.

In the final hymn, Res. Suman Sapra Ji echoed this by sharing a hymn from the Hardev Bani which highlighted the importance of staying silent and letting our actions speak what our True Master has taught us.

In the final discourse, Rev Shobha Yadav Ji expanded on Avtar Bani Verse 150. She shared an example of how we can call a building beautiful without seeing the foundation underneath the building, but that does not mean that the foundation is not essential. Similarly, the Saints who sacrificed their time and lives for the Mission serve as the foundation and although they may not be present, they are just as important for us to remember. Shobha Ji spoke about the detachment from worldly relationships and attachments and how the Saints of our mission have shown that they have achieved salvation through their actions. Despite losing worldly relationships and attachments, their faith in the True Master and Nirankar did not falter.

The congregation ended with the prayer that we all also remember that the goal of our human life is to receive this God Knowledge and use it in our life so we can become detached and become attached to the all-pervading Nirankar.
