Street Cleaning Community Service Sunday February 25th, 2024

Sant Nirankari Mission, Washington DC Metro Area Spiritual Center, organized its 7th Bi-Annual Street Cleaning Drive on February 25th, 2024.

About 24 members of all age groups participated in the cleaning of Sant Nirankari Mission sponsored Pleasant Valley Road, that covers approximately 2.5 miles. Cleaning was also performed around the boundaries of the spiritual center including the parking lot and walkways. Community residents living around the Spiritual center also participated in the cleaning effort, and they appreciated the Mission's service.

This community service is a continued commitment of Sant Nirankari Mission Washington DC center to the Virginia Department of Transportation's (VDOT) annual Adopt-A-Highway program. 14 large bags of trash were collected that were later picked up by VDOT from the center's facility.

With the blessings of Satguru Mata Sudiksha Ji Maharaj, this event was successful. May we always remember Satguru Mata Ji's message and follow in her footsteps to spread love, kindness, goodwill and to serve all humanity through our words and actions. We pray to Her Holiness that we can continue our participation in events that help keep our community clean.
