

## **Five Pledges**

### **(Basic Principles of Sant Nirankari Mission)**

- 1. All worldly assets – physical, mental and material, ultimately belong to God and one should treat them as such and not be proud of them.**
- 2. One should not be proud of one's caste, creed and color and discriminate against others on this account.**
- 3. One should not hate or criticize on account of their diet and dress.**
- 4. God can be realized while performing normal duties of domestic life. One must not leave one's hearth and home and become a recluse or ascetic and thus be burden on society.**
- 5. One must not divulge to others the divine knowledge as revealed by the True Master, without his permission.**
